

Washing My Hands

I will roll up my sleeves.

I will turn the tap on and wet my hands.

I will put soap on my hands.

I will rub my hands together with the soap.

I will rub each finger, thumb and nail.

I will rub my hands together to clean between my fingers.

I will try to wash my hands for 20 seconds.

I will turn off the tap using a towel.

I will dry my hands with a towel.
