

# I am waiting for Coronavirus test results

The Coronavirus test results will take a few days.

I will have to stay in my bedroom.

Being on my own is hard. Staff will help me.

Staff will bring me food and things to do.

I can talk to staff  
about how I am feeling

I might have to stay  
on my own for a few  
weeks.

Staff will take  
good care of me

I will see my friends and  
family when I am better.
