

Keeping safe from Coronavirus.

I can stay safe.

Safe means I try not to
get Coronavirus.

Safe means I try not to
give Coronavirus to
someone else.

Staff can help me to
stay safe.

I can stay safe when I:

Cough and sneeze
into my elbow.

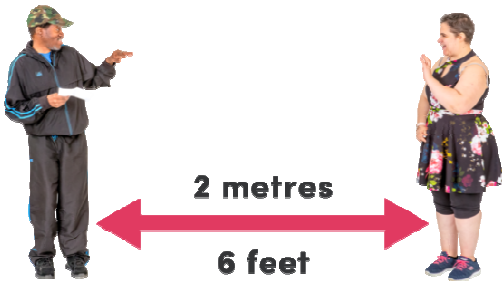

Use a tissue and put
the tissue in the bin.

Wash my hands lots.

Don't touch
other people.

Stay far away from other people. This is called physical distancing.

Don't touch my mouth or nose or eyes.

Keep my house clean.

Tell staff if I feel sick.

Staff help me to stay safe.
