GENERAL ELECTION MANIFESTO NOVEMBER 2024

	<h2>Actions for Government</h2>
	<p>1. The government should make early supports for children with disabilities a top priority</p> <p>Giving supports as soon as possible to help children and their families</p>
	<p>2. People need support to plan for all parts of their lives.</p> <p>These plans, like housing and access to community life, need to be fully funded</p>
	<p>3. People need access to education and learning that leads to getting a paid job</p>

GENERAL ELECTION MANIFESTO NOVEMBER 2024

 	<p>4. People need changes as they get older. This needs to be planned for and funded. It is important that people have access to better healthcare in their community</p>
	<p>5. Invest in Assistive Technology like mobility and communication aids and devices. Invest in new ideas to support people with disabilities to be as independent as possible.</p>
 	<p>6. Services for people with disabilities need more money. We need the Government and Disability Services to work together</p>
