Add more lollipop sticks and glue together.

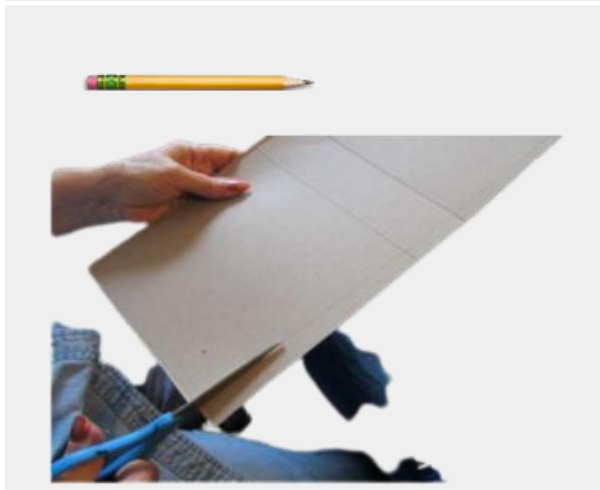

Lollipop Stick Frame

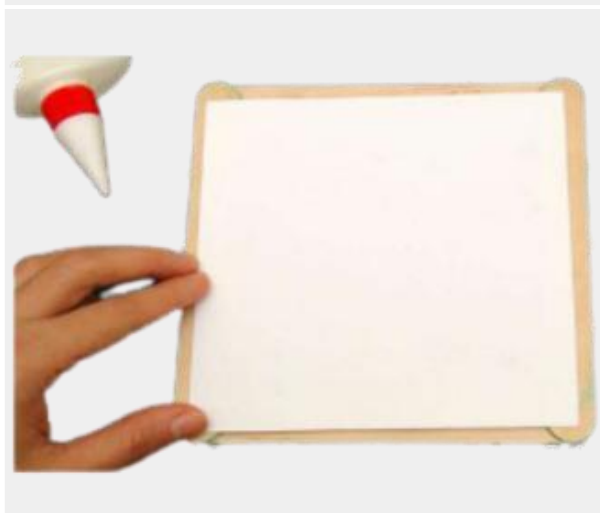

Step 3.

Paint the lollipop sticks and allow them to dry.

Step 4.

Draw a square on the cereal box and cut with your scissors.

Step 5.

Glue the cardboard square onto the lollipop frame.

Lollipop Stick Frame

Step 6.

Glue your buttons and other decorations onto the frame.

Well done.

You have made a lollipop stick frame.

You can now put in a picture into the frame.
